

April and May Public Roundtable Meetings on the FASB and IASB Exposure Draft on 2012 Revenue Recognition

The FASB and IASB will hold four joint public roundtable meetings to discuss the November 2011 proposed Accounting Standards Update (Revised), *Revenue Recognition (Topic 605): Revenue from Contracts with Customers* (including proposed amendments to the *FASB Accounting Standards Codification*®). The Boards' purpose in holding the meetings is to engage in a constructive dialogue about the proposal with a wide variety of stakeholders. To ensure the Boards receive broad-based input, meeting participants will represent a wide variety of perspectives, including those of preparers, auditors, investors, and other users of financial statements.

Registration information for interested participants and observers is available on the [revenue recognition](#) project page.

An audio recording of the roundtable meetings will be made available shortly after each meeting on the [FASB](#) and [IASB](#) websites.
