**FASB TO HOLD ROUNDTABLE MEETINGS ON
INSURANCE CONTRACTS PROPOSAL**

December 2013	**Public Roundtable Meetings on the FASB Exposure Draft on Insurance Contracts**

The FASB will host public roundtable meetings on its June 27, 2013 Proposed Accounting Standards Update, *Insurance Contracts (Topic 834).*

The roundtable meetings are an important part of the Board's due process on the Exposure Draft. The meetings will provide an opportunity for those that have submitted a comment letter, or who still intend to submit a comment letter, to discuss the proposals with the Board in further detail. To ensure that the Board receives input covering a variety of perspectives, the Board is seeking participation from preparers, auditors, investors, and others.

Information for those requesting to participate and for observers is available on the insurance contracts project page.
