Session time: 1:00 – 4:00 p.m. EST

(This meeting will be audio webcast and archived on the FASB website for 30 days following the meeting.)

The FASB rescheduled its November public roundtable meetings on its August 2016 [Invitation to Comment, Agenda Consultation](#), to December 16, 2016.

The Invitation to Comment solicits feedback about potential financial accounting and reporting topics that the FASB should consider adding to its agenda. The Invitation to Comment describes four major financial reporting topics: (1) intangible assets (including research and development), (2) pensions and other postretirement benefit plans, (3) distinguishing liabilities from equity, and (4) reporting performance and cash flows (including income statement, segment reporting, other comprehensive income, and statement of cash flows). It also seeks feedback on other major areas of financial reporting, beyond those four topics, that the FASB should consider adding to its agenda.

The roundtable provides an opportunity for those who have submitted a comment letter to discuss in greater detail with Board members their feedback on agenda consultation.

Nonparticipating observers should [register in advance](#) (seating is available on a first-come, first-served basis).

Unless otherwise announced, all meetings are held in the Board room at the FASB offices and are video or audio webcast on the FASB website. Because meetings may change, please check the website for the most up to date information before finalizing plans. For a more complete listing of public meetings, including tentatively scheduled meetings, please view the [Notice of Open Meetings](#) on the FASB website.
